Additional resources

**Webcast 1 recording** – *Deep dive into COVID-19 liquidity programs and the family office application*

Many family offices and their affiliated businesses will qualify for COVID-19 liquidity programs. Our discussion will focus on the program specifics and family office considerations.

**Webcast 2 recording** – *Digesting the financial impact to family offices with operating businesses*

While many are still managing the COVID-19 crisis, post-COVID-19 action plans are starting to take shape. Our discussion will focus on unpacking recent tax law changes and the impact on a family office.
