RSM US Foundation Scholarship Program – FAQs

What is Power Your Education?

Every day, RSM professionals deliver the power of being understood to today's middle market leaders, globally. To build tomorrow's leaders, the RSM US Foundation is granting \$100,000 in scholarships for the 2023/2024 academic year.

What is the scholarship award?

Ten recipients will be granted awards through the 2023/2024 Power Your Education program, and each recipient will receive a \$10,000 scholarship. The award will be paid to the college/university on the recipient's behalf in two \$5,000 payments (Fall 2023 and Spring 2024) and applied to the recipient's tuition and/or room and board. No money will be paid to the student directly.

Each recipient will also be invited to an information session. Recipients are not required to attend such information session in order to receive their scholarships (however, no alternate opportunity will be offered if they do not).

What if I already receive scholarships or financial aid?

The scholarship funds will be paid to the college/university directly for invoiced expenses to include tuition, on-campus housing, and/or dining plans. Scholarship funds cannot be applied to off-campus housing or be paid to the recipient directly.

Who is eligible to apply for this scholarship?

The program is open to legal residents of the 50 United States and the District of Columbia who are at least 18 years old as of the date of application. Applicants must be:

- Two to three years from graduation and full-time employment (current freshmen, sophomores and juniors working towards their bachelor's degree).
- Studying business or technology in a bachelor's degree program at an accredited college or university located in the 50 United States or DC.
- Full-time students in good standing at their college/university with a cumulative grade point average of 3.0 or above.

Who is not eligible for the scholarship?

Full-time and/or part-time employees, temporary employees, partners, principals, contractors, and current or former interns (and their immediate family members) of RSM US LLP, Risk & Regulatory Consulting, LLC, and their respective affiliated entities and of the RSM US Foundation are not eligible.

When is the deadline to apply?

Eligible students may submit their applications between 12:01 a.m. Central Time on December 1, 2022 and 11:59 p.m. Central Time, February 28, 2023. Only one application per student is allowed.

How are recipients selected?

You will complete the online application (see "How do I submit my scholarship application?" for instructions) and submit a short video demonstrating what the RSM brand promise *The Power of Being Understood*[®] means to you. Your video must contain only original content. It is recommended to simply capture yourself and to not include other people, photos, videos, music or content other than you in order to comply with the terms and conditions of this scholarship.

Your video must not exceed 30 seconds, and you will also submit a short answer response (statement) and unofficial transcript. A panel of judges, selected by RSM US Foundation, will review and judge each applicant's application based on quality of the video (75%), quality of the statement (10%) and applicant's GPA (15%). Judges will grade the video, statement and GPA each on a scale of one to seven, with seven being the highest score. In judging the video, judges will evaluate the degree to which the video reflects some or all of the following RSM US core values: *Integrity* (is the video believable and from the heart); *Teamwork*

(does the video display a desire to work with others); *Excellence* (does the video reflect innovation and creativity); *Stewardship* (does the video tie in to RSM's middle market focus and show support for one's local community); and *Respect* (does the video demonstrate the importance of respect and fair treatment of others). The judges will evaluate the statement based on creativity, quality of writing and reflection of the applicant's individuality.

Upload your video to YouTube. Please select "Unlisted" from the visibility settings when you upload your video on YouTube, so that your Video is not publicly available. You will need the link to your video when submitting your application.
